

KS MIECHV DAISEY Report Guide

Service and Participant Data Report (Form 1)

Purpose of this report

This report provides data on services and aggregate participant data (i.e., demographics) for Kansas MIECHV participants. The tables provided in this report are required by and reported to Health Resource and Services Administration (HRSA), the funder for the MIECHV program. Each dashboard provides a visual that identifies demographic, service utilization, and other identified indicators.

What is counted in this report

All profiles and activity forms completed in DAISEY will be considered in this report. Please refer to the [KS MIECHV Data Dictionary](#) on the KS MIECHV DAISEY Solutions site for guidance on each table.

Any caregiver or child participating in MIECHV will be eligible for this report if both of the following conditions are met:

- ✱ Participant was active in the date range selected in the parameters based on enrollment and discharge dates.

- and -

- ✱ Participant has a completed child or caregiver activity form with a date of activity in the date range selected in the parameters.
-
